The SPEECH OF HIS EXCELLENCY *WILLIAM FRANKLIN*, Eſq;

Captain-General, Governor and Commander in Chief, in and over the Colony of New-Jerſey, *and Territories thereon depending in* America, *Chancellor and Vice-Admiral of the ſame*, &c.

Gentlemen of the Council, and Gentlemen of the General Aſſembly;

THE Sum granted at the laſt Seſſion for the Supply of His Majeſty's Troops ſtationed in this Colony, was ſo much below what had been annually expended for the like Service before, that a longer Receſs than you have had, could not be reaſonably expected.

Gentlemen of the General Aſſembly;

The Barrack Maſter's Accounts, with their ſeveral Vouchers, I ſhall order to be laid before you, when I hope it will appear to you that the Money entruſted to the Diſpoſal of the Governor and Council has been managed with the utmoſt Care and Frugality. Some of the Barracks being greatly out of Repair, and in Want of Bedding and other Neceſſaries, I muſt recommend it to you to grant a ſufficient Sum for ſupplying theſe Deficiencies, as well as for providing the Troops with their uſual Allowance.

The principal Reaſon giving by you, Gentlemen, for not granting a larger Sum at your laſt Meeting was, your having been denied an Act for a Paper Currency. But as that was a Meaſure to which (as I am aſſured) the King would not have withheld his Royal Concurrence, if it could have been given without violating the Law and the Conſtitution, I ſhall hope that you will not again urge a Point that muſt now appear neither becoming nor decent, but that you will as cheerfully and readily as heretofore make due Proviſion for this neceſſary Service. Beſides, when you conſider, that upon the firſt Appearance of a Rupture between the Crowns of *Great-Britain* and *Spain*, I received Aſſurances that in caſe Matters ſhould, contrary to His Majeſty's juſt Expectations, come to Extremities, the Security of his American Dominions ſhould be a principal Object of His Majeſty's Care and Attention, you cannot, I think, but be impreſſed with the moſt lively Sentiments of Gratitude, and be happy in an Opportunity of manifeſting them by correſponding Actions.

Gentlemen of the Council, and Gentlemen of the General Aſſembly;

During the late Proſpect of a War, the defenceleſs State of this Province muſt no doubt have occurred to you, and to the People in general. His Majeſty's uniform Wiſhes to preſerve the public Tranquility may not always be ſucceſsful. A Time of Peace, however, is certainly the beſt Time to prepare for War, and there is no knowing how ſoon ſuch an Event may happen. This is therefore a Matter worthy of your particular Attention. For my Part, I know of Nothing we have to rely on under God, for our Protection againſt the ſudden Attempts of an Enemy, but the Regiment of Regulars which His Majeſty has been ſo kind as to afford us, and the Militia. From the ſcattered Reſidence of the latter, and their Want of Diſcipline, much cannot be expected from them on ſuch Emergencies.——I have ſome Time ago, indeed, ſent Orders to the Commanding Officers of the ſeveral Regiments, to have their Men as frequently exerciſed and as well diſciplined in every Reſpect as may be in their Power, and to be particularly careful that they be provided with the Arms and Ammunition required by Law; but you muſt be ſenſible, that while the Law allows of ſo few Days of Muſter, the People cannot be brought into proper Military Order. Whether therefore it would not be better to adopt ſome ſuch Regulations for the Militia as are now eſtabliſhed in our Mother Country, I ſubmit to your Conſideration. In the mean Time, as His Majeſty has been graciouſly pleaſed to order the ſeveral Battalions now ſerving in *America* to be completed as ſoon as poſſible, you have an Opportunity, by giving ſome additional Bounty, or other Encouragement that may induce a Number of his Majeſty's faithful Subjects of this Colony to engage in the Service, not only of demonſtrating your Loyalty and Gratitude, but of providing in the moſt eſſential Manner for the Security and Defence of the Province.

The Indians of the Six Nations, and their Allies and Confederates, having lately complained of the Abuſes and Violences committed by the Traders and Frontier Inhabitants of ſeveral of His Majeſty's Colonies, and intimated the bad Conſequences which are likely to happen, if they are not redreſſed, His Majeſty has thought proper to ſignify his Pleaſure that I ſhould repreſent this Matter in the ſtrongeſt Manner to you, and urge you in his Name to fall upon ſome Means of putting Indian Affairs under ſuch Regulation as may have the Effect to prevent thoſe Abuſes of the Trade, and thoſe Violences and Encroachments of the Frontier Inhabitants of which the Indians ſo juſtly complain.——The Governments of *Virginia*, *Pennſylvania*, *New-York* and *Quebec*, have, as I underſtand, already appointed Commiſſioners, who are to meet together, and form ſome Plan for this deſirable Purpoſe. And though this Colony has little or no Concern in the Indian Trade, and the Indians have not ſuſtained any Violences from our Frontier Inhabitants but what they have received ample Satisfaction for, yet as we muſt be eventually intereſted in whatever may affect the Welfare and Safety of our neighbouring Colonies, I cannot but recommend this as an Object deſerving your moſt ſerious Conſideration,

I have lately received two Orders of his Majeſty in Council, which ſhall be communicated to you; the one diſallowing an Act paſſed in *June* 1765, entitled, "An Act for regulating the Practice of the Law and other Purpoſes therein mentioned," (which Act was rendered unneceſſary by a ſubſequent Act of the Legiſlature of this Province;) the other confirming an Act paſſed in *May* 1768, entitled, "An Act for chooſing Repreſentatives in the Counties of *Morris*, *Cumberland* and *Suſſex*, and directing the *Morris* County Taxes to be paid into the Eaſtern Treaſury of this Colony."

Council-Chamber, April 18, 1771. } WILLIAM FRANKLIN.

TO HIS EXCELLENCY *WILLIAM FRANKLIN*, Eſq;

Captain-General, Governor and Commander in Chief, in and over the Province of New-Jerſey, *and Territories thereon depending in* America, *Chancellor and Vice-Admiral in the ſame*, &c.

THE HUMBLE ADDRESS

Of His Majeſty's COUNCIL for the ſaid Province.

May it pleaſe your Excellency,

SENSIBLE of your Excellency's Care in the Diſcharge of the Duties of your Station, We cannot but return you our Thanks for the ſeveral Inſtances we have lately experienced, and particularly in the reſpective Matters communicated in your Speech, which we ſhall take into ſerious Conſideration; and your Excellency may be aſſured, ſhall do all in our Power to anſwer His Majeſty's juſt Expectations therein expreſſed.

It muſt afford great Satisfaction to the Colonies in *North-America*, to ſee His Majeſty's Care for their Preſervation in every Caſe of Danger; which was particularly manifeſted in the Aſſurances given during the late Proſpect of War. We are gratefully ſenſible of it on the Part of this Colony, whoſe defenceleſs State, without the Aſſiſtance of our Mother Country, might have rendered our Situation extremely difficult, if not dangerous. This is ſo obvious that we ſincerely wiſh every ſuitable Occaſion may be embraced to render us an Object that may continue to deſerve the Care, Protection and Regard of our moſt gracious Sovereign.

By Order of the Houſe,
JOHN STEVENS, Speaker.
Council-Chamber, April 20, 1771. }

TO HIS EXCELLENCY *WILLIAM FRANKLIN*, Eſq;

Captain-General, Governor and Commander in Chief, it and over his Majeſty's Colony of Nova-Cæſarea, *or* New-Jerſey, *and Territories thereon depending in* America, *Chancellor and Vice-Admiral in the ſame*, &c.

THE HUMBLE ADDRESS

Of the REPRESENTATIVES of the ſaid Colony, in General Aſſembly convened.

May it pleaſe your Excellency,

WE, His Majeſty's dutiful and loyal Subjects, the Repreſentatives of the Colony of *New-Jerſey*, in General Aſſembly convened, have taken into our ſerious Conſideration your Excellency's Speech at the Opening of this Seſſion, and can truly inform your Excellency, That the State of this Colony is not altered for the better ſince the laſt Seſſion at *Perth Amboy*, at which Time this Houſe informed your Excellency, that they could not grant further Supplies for His Majeſty's Troops without laying new Taxes on the good People of this Colony, who are already burthened with a heavy Debt contracted for His Majeſty's Service during the late War. We, therefore, cannot, conſiſtent with the Duty we owe our Conſtituents, comply with your Excellency's Requiſition at preſent.

The Militia Law now in Force, We conceive, may be ſufficient for all the Purpoſes intended thereby.

We would, on all Occaſions, do the ſtricteſt Juſtice to, and cultivate the Friendſhip of the ſeveral Indian Nations, but they have received full Satisfaction from this Colony, and publickly acknowledged it, AND WE, having no Trade or Traders among any of them, cannot conceive it neceſſary to appoint Commiſſioners on the Part of this Colony.

We are truly thankful to our moſt gracious Sovereign for confirming the Law for chooſing Repreſentatives for the Counties of *Morris*, *Cumberland* and *Suſſex*, by which the good People of thoſe Counties will be equally repreſented.

By Order of the Houſe,
STEPHEN CRANE, Speaker.
Houſe of Aſſembly, April 20, 1771. }

To which His EXCELLENCY was pleaſed to make the following ANSWER.

I SHALL take your Addreſs, Gentlemen, into Conſideration, and acquaint you with my Sentiments thereon by a Meſſage in Writing.

LONDON.

Feb. 26. The messenger who arrived at the Secretary of State's Office in Cleveland Row, from Madrid, last Thursday afternoon, brought a copy of the King of Spain's *formal* order for restoring Port Egmont, and an Instrument of *Approbation* not of *ratification* of Prince Maserano's *declaration*. But the claim of *right*, which the King of Spain has set up to Falkland's Island, is to be the subject of consequent negotiation. And there is great reason to apprehend, that by *private* agreement, in order to obtain the abovementioned *formal* order for restitution, our Ministers have stipulated, or promised not to send any officer, or ship to repossess Fort and Port Egmont.

PHILADELPHIA, *April* 25.

On Sunday last a *Sermon* was preached before the united Congregation of *Christ-Church* and *St. Peter's*, on the Death of the Honourable *Richard Penn*, Esq; one of the Proprietaries of this Province.

By Capt. Moore from Charlestown, South-Carolina; we learn, that by the last Accounts from the Country of the Creek Indians, the War between them and the Chactaws was carried on with the greatest Inveteracy; that a party of Creeks, headed by the Wolf King, was lately attacked by the Enemy, and had five Men killed, and four taken Prisoners.

Tuesday last arrived here the brig Hibernia, Capt. Hayman, in 7 Weeks from Galway, in Ireland; he informs that the snow Prince George, Capt. Campble, from this Port, and Capt. Woodsides in a Brig from New-York, were arrived at Galway, and Capt. Johnson in a Brig from New-York was arrived at Portaferry.

We hear the Hon. Richard Penn, Esq; now in England, is appointed Lieutenant Governor of this province, and that the Hon. John Penn, Esq; who is now Proprietor, intends embarking for England, in the Ship Britannia, Capt. Falconer.

We hear that the Fifth Packet Boat, to ply between Falmouth and this Place, is to be built here, and that Orders for that purpoſe are brought by the Packet.

Capt. Renolds, in 42 Days from Surrinam, on the 23d of April, ſpoke with a Sloop Capt. Joſeph Stole from St. Lucea, bound to Rhode-Iſland, 22 Days out, in Lat. 40, 00, Long. 66, 38. on the 24th ditto, ſpoke a Brig, Capt. Long from St. Martins, bound to Piſcataway, Lat. 39, 36, Long 67.

Captain Davies informs us, That ſeveral of the Boſton Veſſels were loading Tea, and that the Capt. of the Boſton-Packet, Capt. Lyde, told him he had an 100 Cheſts on board his Veſſel, and made no Secret of the Matter, and that two of the Boſton Traders ſailed in Company with him.

The Captains Chambers and Miller, were to ſail from London for this Port, about three Weeks after Capt. Davies, who had a good Paſſage as to Weather, but contrary Winds, and were drove as far to the Southward as the Capes of Virginia.

Captain Offar, in 26 Days from Penſacola, acquaints us that the Troops and Inhabitants at that Place are very healthy, and that they are buſily employed in erecting four new Batteries there.

On Sunday the Ship Lady-Gage, Capt. Kemble, ſailed for London.

On Sunday the Brig Hand-in-Hand, Capt. Berrian, arrived here after a tedious Paſſage from London.

Friday Morning laſt the Ship Beulah, Capt. Henderſon, ſailed from hence for London.

Yeſterday arrived the Brig Elliot, Capt. Chriſtopher Miller, in 6 Weeks and 4 Days from London, by whom we have London Papers to the 9th of March, which contain little News of importance; the particulars of which we muſt defer for want of Room.—Some of the moſt material Articles are.—That the King of France has aboliſh'd all the Parliaments in his Kingdom, and entirely new modell'd the internal Form of Government, that the greateſt Confuſion and Diſcontent prevails thro' all the Provinces, that a general Inſurrection is by many apprehended, and that the King is going to diſcard Madame Barre, for a new Miſtreſs.

That the King of Spain has ſent a ſpirited Remonſtrance to our Court, demanding a categorical Anſwer with Regard to one of the Molucca Iſlands, in the Eaſt-Indies, to the Government of which Mr. Dalrymple has lately been appointed, and which is claim'd by the Spaniards.——Another Paper denies that ſuch a Remonſtrance has been received. That the Juno Frigate, and the Hound Sloop of War, with 2 Tranſports, and 2 Companies of Infantry, a quantity of Ordnance and Warlike Stores, &c, are going to retake Poſſeſſion of Port Egmont, which the King of Spain has ordered to be reſtored.

That Col. Burgoyne's new rais'd Regiment of light Dragoons are diſbanded, as are to be all the other Regiments of Dragoons. That the Sandwich Man of War, and all the other 3 Deckers at Portſmouth, are order'd to be paid off. That Admiral Montague with 4 Men of War of the Line are coming to America. That the French, Spaniſh and Engliſh Miniſters have frequent Conferences with Steuart M'Kenzie, Eſq; (Lord Bute's Brother) who is *Secret Premier*. That the King of Pruſſia has made a large Demand upon the Britiſh Court, and it is apprehended has a deſign to invade Hanover, in Conſequence of which Report, there was a conſiderable Fall in the Stocks, that there is ſoon to be a great Change in American Governors. That many Perſons have refuſed to accept of the Place of Lord Lieutenant of Ireland, that the late prorogation of Parliament, there had ruined great Numbers of Manufactories and Workmen, that at the meeting of Parliament there the 26th Feb. the Houſe was ſurrounded by above 10,000 Perſons, that the Members, of the Court Party, were in Danger of their Lives, and were obliged to call in the military Aid, and that much Miſchief was apprehended. That at a Board of Trade the 4th of March ſeveral Orders were made, reſpecting the American Colonies.

On the 9th of March, his Majeſty gave the Royal Aſſent to a Bill to continue an Act for puniſhing Mutiny and Deſertion in the American Colonies. For erecting a Play-Houſe in Liverpool, and ſundry other Acts.

The Emperor and the King of Pruſſia, have aſſembled powerful Armies on the Frontiers of Poland, act in Concert, and it is imagined the Object of their Deſign is the re-eſtabliſhment of Peace in that Kingdom. It is ſaid the Ruſſians have again entered the Morea, and that the Inhabitants have join'd to aſſiſt them, that the Ruſſians continued their Operations, notwithſtanding the Severity of the Winter, had defeated 5000 Turks, and inveſted 2 Towns, the laſt the Turks had left on the Danube. That the Governor of Trebiſonde had revolted againſt the Porte, giving the Signal of his Rebellion by ſetting Fire to the Town, which was half burnt down. That the Ruſſians ſtill maintain'd their Advantages both by Sea and Land, and that with far leſs Difficulties than they have already encounter d, if their Succeſs continues another Campaign, they will gain the Poſſeſſion of Conſtantinople.

Yeſterday arrived the Sloop Mary, Capt Morgan, from Bermuda, who informs, that on the 17th of March, the Brig Princeſs of Orange, Capt, Gantle of this Port, ran on the Rocks off Bermudas, where both Veſſel and Cargo, received conſiderable Damage: but was afterwards got off, and was to proceed on her Voyage.

Saturday laſt the Supreme Court ended here, when Mary Dailey, and Margaret Siggens, received Sentence of Death, and are to be executed the tenth Inſtant, the former for picking Pockets (having had the Benefit of Clergy before) and the latter for Grand Larceny, viz. For ſtealing wearing Apparel and Money, from Mrs. Mary Williams of this Place.

POET'S CORNER.

FREEDOM coeval with Man's life began
The Test of Good, and Ill,—God's precious Gift to Man.
The Pow'rs of Darkneſs all their Force combin'd,
To filch the precious Bleſſing from Mankind;
By Fraud and Force, his Freedom they aſſail'd,
And by his aid againſt himſelf prevail'd:
Tyranic power, the groaning Earth o'er Spread,
And Freedom found no Place to reſt its Head,—
Till Britain entertain'd the Fugitive,
And in a noble Temple plac'd, to live—
Long there it floriſh'd, Bleſſings ſpreading round,
And Britain grew in Arts and Arms renown'd,
But oh! ſad Change, ſome Demon moſt accurſt
Of all the infernal Regions ever nurſt,
Hath driven Freedom from Britannia's Shore,
Where Peace and Happineſs ſhall reign no more!

At the City of Albany, at the house of Mr. Richard Cartwright.

A *Tract of land with all the buildings and improvements thereon, in the county of Albany, called the Great Vley; being part of a lot number fifteen, in the patent of Saraghtoga, and contains one hundred and thirty acres of meadow, and three hundred and fifty acres of upland, or thereabouts, all lying together. This farm lies about twenty seven miles from Albany, between Still-Water and Saraghtoga, on the public post road that leads to Canada; the quality of the land as good as almost any in the country, and the farm itself well known, having supplyed the army during the last war, with great quantities of hay, and lies upon the west side of Hudson's River, a fine growing neighbourhood and a well settled part of the country; the distance from the farm to the river being no more than to admit of the before mentioned road, which is the only one that leads to Saraghtoga, Fort Mills, Fort Edward, Lake George, and so into all parts of Canada. Any person inclining to purchase the same before the day of sale, may apply to William Bayard or Joseph Reade, in New-York, or to Peter Silvester, Esq; in Albany. A good title will be given by us the subscribers,*

Wm. BAYARD.
